Every minute, every hour, every day, we moved as chess pieces . . . cautiously, carefully, without a fear . . . across the patterned board. Through the many plays . . . the greeting of the young and bewildered pawns . . . the energetic actions of prowling Panthers, during wind and rain, tests and finals, grade cards, challenging classes, soul-stirring assemblies, and thrilling athletic events . . . and the final farewell of the once reigning monarchs . . . confidently, proudly, we carried the symbolic "O". The year was a welcome challenge . . . teaching and learning . . . working and playing . . . exploring the countless moves, of this, THE GAME OF LIFE

# Serious, Spirited and Superb

The OHS Library is utilized by hundreds of students. Each time they walk through the portals of this great institution, they set their minds in motion,

Hail to Orange High! As the last words of our Alma Mater are sung, the students express with smiles and tears the never ceasing devotion to OHS

# Panthers Play "The Game of Life"

Cheer eader Lottaine Moore expresses her never ending spirt as she leads the crowd in a victory chant

Clash Day was a clear example of what snappy dressers Panthers can be. Key McInnis, Bob Bateson, Sylvia Onalfo, and Sue Yoss are a few outstanding examples.

With strong convictions and determination, ASB President Jos Colon moded the Student Government into its best

Spirit Week allowed senior boys to resort back to their childhood days by riding three-wheelers in the Tricycle Race

Never before or never again will the hallowed halls of OHS see the spirit, devotion, and pride that was elevated in the 1964-1965 school year. The school doors opened to 2,300 students, 1,023 of them being seniors. From the opening assembly the seniors took their place as the hierarchy of the school. Each morning as the eight o'clock bell sounded, each student, teacher, administrator, and anyone involved with school, started their moves of learning, teaching, and overseeing, all a part of The Game of Life.

# Cheerfully, Responsibly, and Skillfully

With Hi-Day signs and friendly faces, the Panthers began their Game of Life for the year 64-65. After welcoming the sophomores, each day was a new move for each student at OHS. The first pep-rally and the thumper yell became familiar, Chapman Stadium was a regular location on Friday nights. Capacity crowds saw the Panther gridders play and win with an all out effort. Homecoming festivities saw lovely semor Sandy Olsen crowned '64 Homecoming Queen In between, students were kept busy with tests, the World Series, inspiring assemblies, pep rallies, and anxiously awaiting their first quarter grades.

A rare sight is (51) Casey Roberts out of play during an important footbell game. Coach Bill Brashears informs him of a change in strategy that must be used.

Lunch pastimes are varied from the common eating to the common bridge playing—but how can five play bridge?

Seniors here aren't any different from seniors abroad. Greger enjoys his senior privileges by sitting on the Senior Bench in the Senior Patio.

# Always Moving, Onward and Upward

Tears of by frood the face of '64 Homecoming Queen Sandy Osen as she is crowned at the halftime activi-

Princess Sharon Gerrick

Always building spirit our peppy and pretty OHS songleaders are always eager to lead songs. Here they combine with the Savanna song eaders for a routine

Cramped for ocker space, ingenuious sophomores make an orderly arrangement of this one!

### Passing time between periods finds the many corridors of OHS filled with students talking, and just taking a breather until the tardy bell rings again.

## Achieving

Tom Nelson (60) and 8ob Pillon (21) set up a tough defense for any opposition as they go down the field paving the way for a touchdown.

Led by the spirited Senior Class, the OHS students continued to move upward with initiative and eagerness. Basketball brought a new face to the Panther spirit, Although no CIF this year, the cagers had an impressive record and were always fighting till the end As Christmas vacation approached, there was a Christmas spirit in the air. Panthers were busily taking College Boards, putting on the Christmas Assembly, and planning the Coronation Ball.

A Christmas Rose bloomed for Linda Pierce and Dave Scott as they were chosen Coronation King and Queen.

Christmas vacation breezed by so quickly. With a new year ahead of them, the students came back to their Alma Mater only to see the first semester end

## Their Goals

Our laughter filled the air with mirthful merriment many times this year as demonstrated by seniors Kay Mainnis and Carrol Hodge.

Anticipation adorns the faces of the Penthers as "Dandy Dave Scott!" goes in for another point

When not in use, the outdoor theater reflects a lonely emptiness, but when the wooden benches are filled to their capacity, a new reflection is taken on

Are these our lovely cheerleaders? For Donkey Basketbal anyway! But Patty Panther Skinner seems a little coy about facing the crowd.

All good things must come to an end is sad ly reflected from the faces of cheerlanders Lorrane Moore and Steve Cornell at the season's end

## with Honor and Integrity

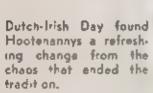

Dressed in everything imaginable, Panthers crowded the patro area on Dutch-Irish Day

What can be more peaceful than an empty corridor? One student and a teacher are the only ones to experience this quiet moment.

With meaningful facial expressions, coaches Vince Deveney and Hal Hickok watch their grid ders in action

Throughout the year not a minute was wasted by the Panthers Each day was lived as it came. Many mistakes were made, but with these came a new understanding within the school. Spring brought on rainy days, but the sun was equally bright. Accreditation Committees, Girl-Date Boy, elections, college acceptances, and Dutch-Irish filled the lives of each student. Sophomores planned their successful Carnival, while jumors gave the seniors a Prom never to be forgotten, and the seniors planned and prepared to leave, only to go on to higher, grander Games

Jumping rope was one of the many activities that was an joyed by the eager students on the day of the Dike-Men and Green Men.

## **SENIORS**

In the Game of Life, the Kings and Queens have made many excellent moves in the past three years. They can now look back with pride on their many wise decisions and victories, with many more moves to come

Because of their outstanding performance, now, they know that they can turn their crowns over confidently to the Pawns who will soon rule in their place

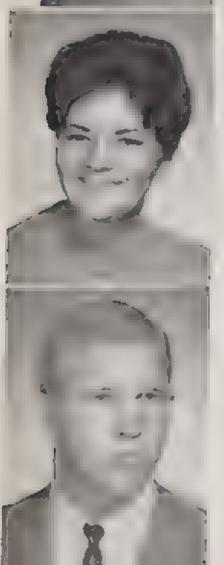

PROMOTING advertising for the Coronation Ball, sponsored by the Senior Class, is one of the office personnel Mrs. Mary Ann Harris.

Orange, California

Since last year, when you deemed me worthy of your trust, I have endeavored to represent you well.

With the support of an excellent cabinet, this year has been spent in vitalizing and strengthening a system of great potential for the best interests of the student body. Although many problems have arisen, I feel that we have attempted to solve them to benefit OHS.

I know that what has been done here this year will forever better the standing and quality of Orange as a school, as an ideal, and as people. We of Orange, as a result, will be able to go forward with our goals set high. This has been a good, successful year. I hope my efforts have helped make it so.

In closing I wish to thank my friends, both teachers and students who, in times of both victory and defeat, have given me their sincere and unbending support.

May success be yours,

### Builds the Girls' League Officers,

The crisp Orange and White denim regulation outfits became almost a symbol of the outstanding Girls' League Officers. These ten girls led and guided the feminane student body from September to June.

The busy year was full of assemblies ranging from the fundamentals of football at the expense of a blushing varsity team to reviewing new fashions. The annual "Date-Dad" and "Hi-Mom" Banquets, held at Walker Hall, were as successful as ever in giving the parents of OHS girls a break from the normal "A Knight To Remember" was this year's Girl-Date-Boy theme and the favorite "Knight" was elected by feminine ballot.

With the leadership demonstrated by the Girls' League Officers, the girls of OHS will go on to play a better Game of Life

# and Distinguishes the AFS

The Orange Chapter of the American Field Service this year did its part in extending relations to other parts of the world through the sponsorship of Greger Jismalm from Sweden, and Kathy Niel sen to Brazil

An after-game dance and calendar sale helped to raise the money needed to run the organization,

Under the leadership of Miss Marcia Hursey, the AFS tried to give an exchange student an insight into American Lying. It is their hope that the AFS finalist in Brazil will have the same opportunity

Balancing the see-saw is Gregor's goal as he opens the AFS annual money-raising penny drive. If enough funds are collected, the AFS will be able to bring a foreign exchange student to OHS next year

AFS finalist Kathy Nielson will start school in March as she lives and learns as an exchange student in Brazil.

AFS exchange student Greger Jismalm is surrounded by fellow AFS members Janis Barnatt, Kathy Hawkins, Dale Reynolds, Cindy Willeford, Linda Clark, Mary Buckley, Lauria Nichols, Yvonne Lemke, Barry Hennings, Tom Peterson, David Cooksey, and Dave Ambrose.

When I came to Orange High School as a part of the American Field Service program, I didn't know what I could expect to find here.

Now when my year has almost passed, I know that the year has meant more to me than any other year in my life.

Here I found the friendliness of the American people. I found that the barriers between peoples and nations can easily be bridged. I found that we have so much in common that the differences seem trifling.

In a short while I will return to Sweden and I will bring with me the hope and belief of an ever increasing friendship and understanding between the peoples of the earth.

Vandra tillsammans, tala tillsammans, alla varldens folk. Da och endast da skall vi fa fred.

(Walk together, talk together, all ye peoples of the earth. Then and only then shall ye have peace.)

Deep thought? Cheerleader Lorraine Moore concentrates as she leads cheering Panthers on.

### The Jubilant, Cheering Five,

The jubilant, cheering five, alive with action, set Panther spirit prowling at rallies, assemblies, and games. The three boys and two girls, who cheered Panthers to victory, loyally wore the Orange and White, proclaiming to one and all that they are the Panther yell-leaders. Through their efforts, the stands have set the earth reverberating with a mighty cheer. With ability, determination, willingness, these five have well displayed the qualities of the Proud Panther yell-leaders of 1965.

Ken Gleitsman is caught by the camera, pausing during a hectic game time coutins.

As yell-leader Andy Shishkoff mounts the bleachers to the crowd Panther Spirit roars

When even a magaphone is drowned by the cheering crowd, head cheerleader Steve Cornel keeps on yelling!

Putting everything in gets results when cheerleader Sandy Olsen yells with Panther might

#### Alive with Action,

Whather it was the first or the last time the alma mater was played, song leader Londa Stewart is proudly humbfed as she completes the routine

Despite game-time excitement, Linda Campbell executes with precise precision, one of her many routines.

Co-ordination, charm, and Panther Pride are essentials for the ever-smiling five with pompoms. From the first fight song to the closing strains of the alma mater they execute with exactness their various routines. With the assistance of the band and cheerleaders, their quick, nimble actioned support added color and life to rallies, games, and assemblies. They, too, displayed the qualities of Proud Panthers—these song leaders of 1965

Caught by surprise is head song leader Candy Cline between routines, touch downs, and general game confusion.

# Smiling Five with Pom-Poms,

As the final strains of the OHS alma mater fade, song leader Kathy Harvey pauses in reverence to her school.

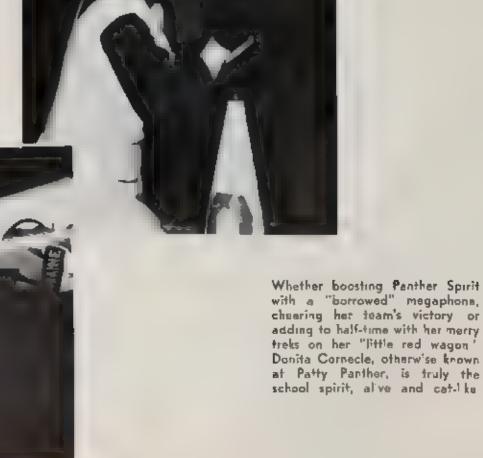

Suspense is unbearable as tension mounts for song leader Becky Schipke as she munches on her rather wilted pom-pom to calm her tattered nerves

Cats climb trees and our Patty Penther is no exception as laughingly the pretty mascot paused to pose in her lively game of 'cat.'

#### the Animated Mascot,

Like a panther, she prowls the field and court. Like a panther, she roars her support. Cat-like, she fills the requirements of the animated mascot. An essential part of Panther spirit, that is Patty Panther.

Varied Panther Peps -they add a dash of action to the already activated games. The twirling flags, the spinning batons, the echoing fight songs are all part of the never-ending cycle of game time confusion

# That Extra Spirited Talent

Proudly, like Panthers, they appeared on the field, the long hours of concentrated practice evident in their polished performance. Their instruments gleamed sharply under the field lights; the music fit the occasion. In the stands, their Panther Spirit continued to roar. In spite of defeat, they belted out the fight songs and the alma mater with OHS enthusiasm. That enthusiasm did not stop at games. but kept high throughout the year as they participated in civic affairs and parades. Under the direction of Mr. Charles Andresen and led by drum major Bill Henderson, the Panther band has been the musical support of the Proud Panthers.

The Pantherette drill team, directed by Mrs. Carolyn Melver added color and excitement to half-time activities. Participating in parades and money-raising activities, the Pantherettes, with the co-operation and assistance of the band, proved to be excellent representatives of OHS spirit and enthusiasm.

#### Orange and White --

Inobvious as possible, staff artist "Selden" sketches for his murti faced sketch book

As sponsor of both THE REFLECTOR and the OR ANGE AND WHITE, Mr. Milton Craig has his hands full as well as his typewriter

From September 14, 1964, the aim of the '65 Orange and White staff was to better the award of their predecessors. Once the theme, The Game of Life, was decided upon, the book was on its way. "First in state in its class" read the certificate; a little note tacked so thoughtfully beside it read, "This is not the top award, let's do better."

Thirty students spent twenty-seven weeks planning and cropping pictures, writing copy, assembling paste-ups, meeting deadlines to get this, the '64'65 Orange and White to some 2400 students.

This book is the written record of a remarkable year. It has tried to preserve for you all events which have made many happy memories, memories which make the Game of Life.

'Pasting up' the many underclassmen before they can be sent to the engraver is hard work as the underclassmen staff Jay Ofsthun, Evelyn Zajac, and editor Patie McEveen well know

The activities office was graced by the presence of the smiling clubs and activities staff Kay Mc-Innis, Margie Doolen, editor Pam Steele, Terry Quick, and Carol Keller

#### Extra Talent

We aware of the mountainous task ahead of her, typing, categorizing alphabetizing all copy for the '65 ORANGE AND WHITE, copy aditor Barbara Flint just gries and bears it.

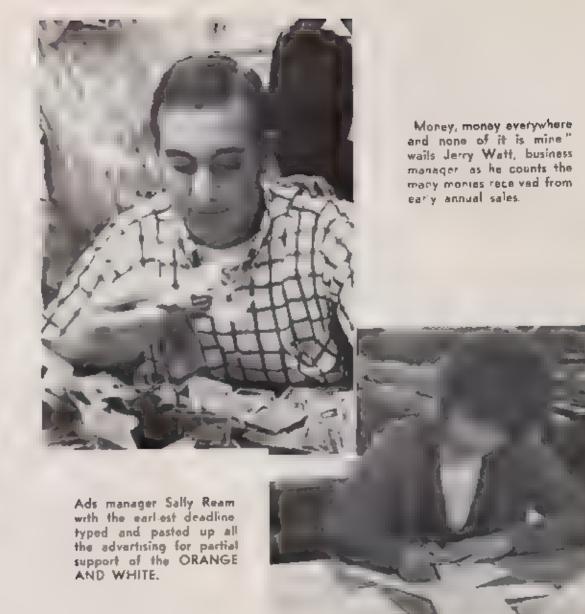

Editor in chief Janis Barnett sm les even with a load of yearbook work and missed dead ines.

The "active" sports aditors Kathy Brown and Jerry Burchfield, responsible for girls' and boys' sports, are "hard at work."

Serving both the ORANGE AND WHITE and RE-FLECTOR are staff photographers Jay Ofsthun, groaning under the weight of both press cameras, and Robby Strain, editor, and Ben Evers, both very happy to give Jay the cameras.

#### All Are the Panther Student Leaders

Looking exactly the opposite of student leaders. Melania Peterson and editor Molly Engle take a well deserved rest

Senior staff Janie Oaks, editors Sharon Hansen and Nancy Nesmith, and Marie Fibrito take time out from their task of putting together a pictured record of the largest senior class in the history of OHS

#### Dear Panthers:

The 1965 Orange and White is a record of the many memorable and significant moves of this short segment of the GAMÉ OF LIFE.

For the retiring royalty, to whom this book is dedicated, these recorded events constitute an end and a beginning—the conclusion of twelve years of hard work, challenge, and accomplishment, the beginning of many new moves as the GAME continues. For those who remain, what is recorded here will form the foundation for future activities and serve as a challenge to new Panthers and new royalty.

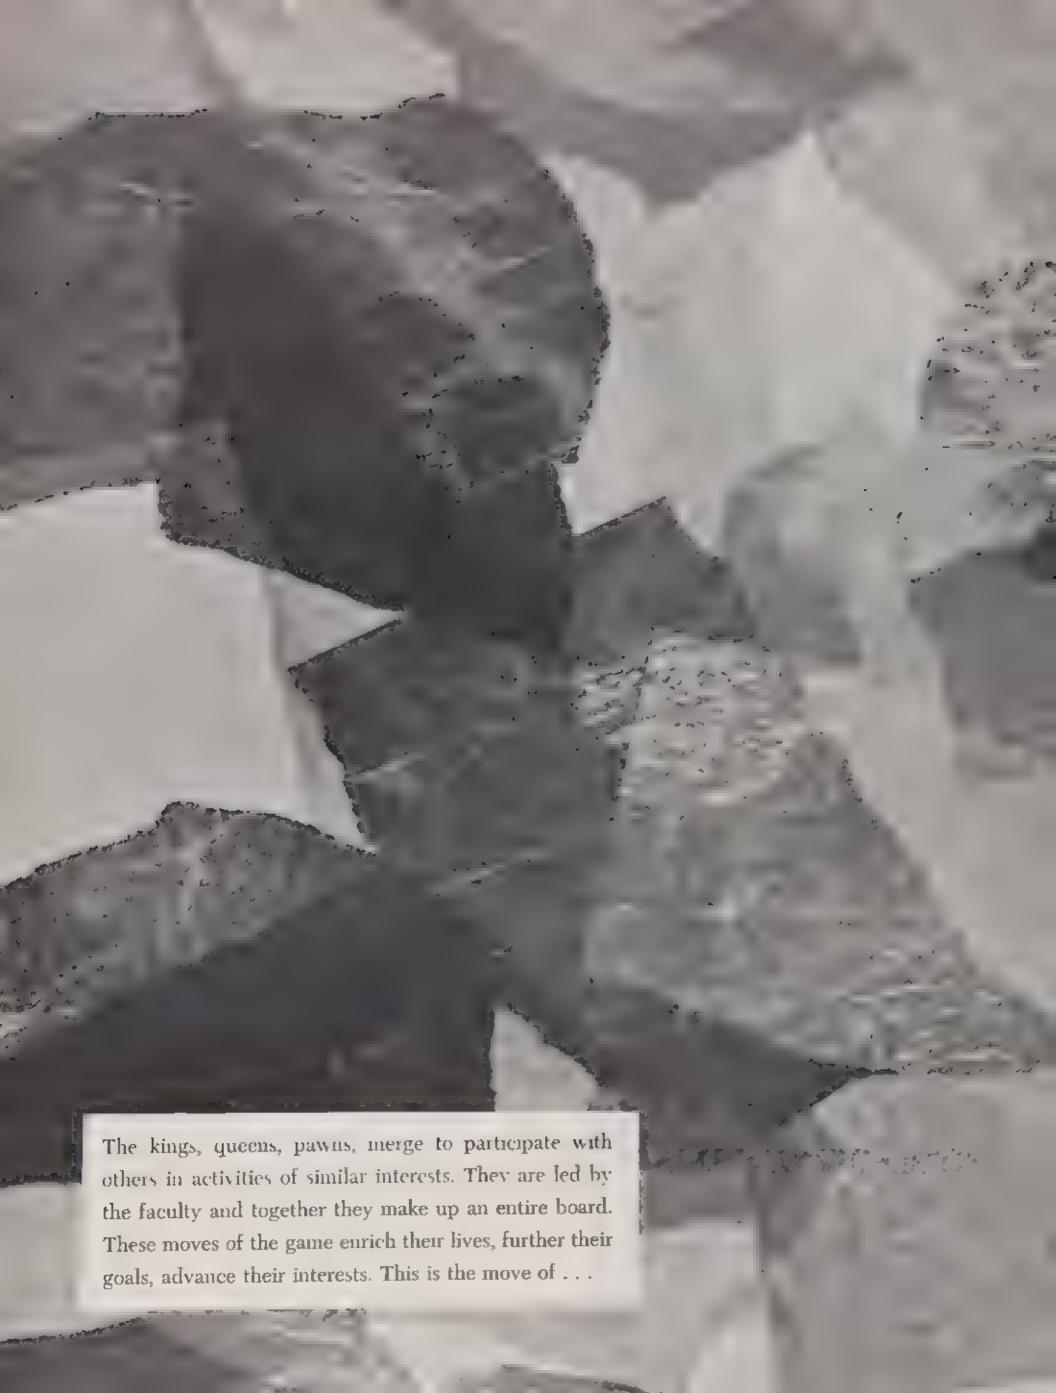

I would like to recognize the members of the annual staff who have spent long hours to make this book posssible. To those whose assistance and co-operation have been invaluable—Mr. Craig, McInnis Printers, Santa Ana Engravers, the Albert and James photographers, and the OHS faculty and administration—I extend the heart felt gratitude of the entire staff.

This year is about to end, but the GAME OF LIFE continues, the chess pieces will continue to move onward and upward, each in its own direction, each with many memories of the past and dreams for the future. To each Orange High Panther—past, present, and future—we wish continued success in their GAME OF LIFE.

Sincerely,

Janis Barnett Editor-in-Chief

#### Glorious Homecoming Honorees

"GOAL LINE GLORY" was the theme for the 1964 Homecoming festivities. Although the Panthers lost their game by one point to Bolsa Grande, spirit soared with the suspense of the evening. From a court of five pretty princesses, Sandy Olsen was crowned queen. The court, with their Key Club escorts, was driven in Corvettes to Hod Chambers Gvinnasium to officially start the traditional Homecoming dance.

#### "A Christmas Rose"

Coronation Ball 1964 left all those attending with memories of a wonderful evening. "Christmas Rose" was the appropriate theme given to the dance held at Orange Coast College. The crowning of King Dave Scott and Queen Linda Pierce added the final touch to an evening of overwhelming success.

### Dutch-Irish day dawned bright and clear as more than 2000 exuberant Panthers took sides in the liveliest Dutch-Irish day in OHS history. The Dutch decked themselves in all sorts of crazy, red outfits complete with wooden shoes, and the Irish, not to be out done, donned green hats, nightshirts, and green vests.

The traditional brawl erupted prematurely at break with many flying eggs that just couldn't wait till Easter, and in spite of the lack of an organized battle, the 27th edition of the OHS fun day became monumentally known as the wildest day ever.

Marriane Ringlbauer, Joe Hanne, and Susan Oliver scheme together in 'Arsenic and Old Lace."

Kathy Brown and Andy Shishkoff take their parts seriously

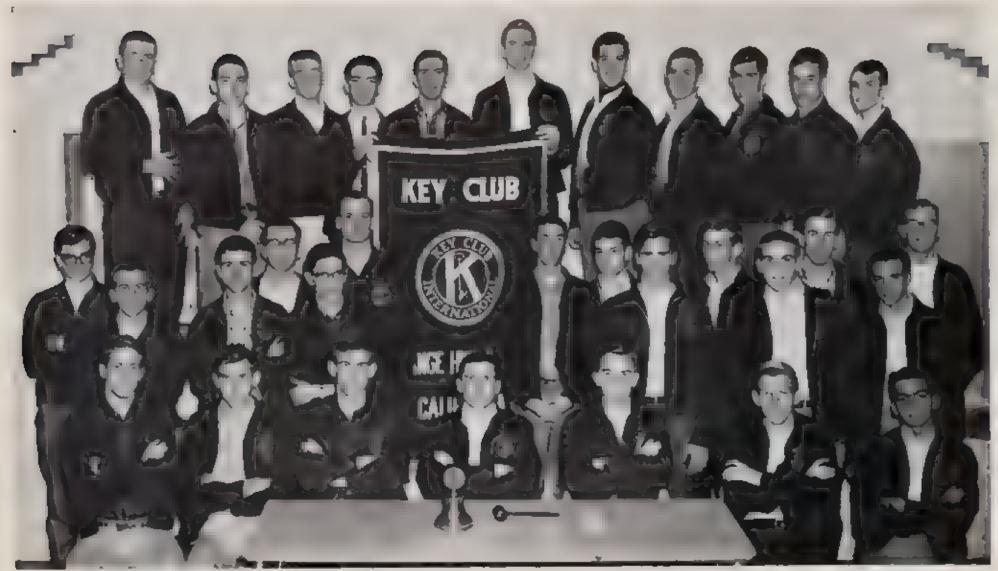

Rehearsals, make-up, rehearsals, costumes, rehearsals and more rehearsals; but it was worth it for the O.H S. students. This year the music department presented two big sell-out productions, directed by Mr. Slick: "The Mikado," tale of the Emperor of Japan who poses as a minstrel and goes about seeking his true love, and "My Fair Lady," a modern version of "Pygmalion." The drama department also put on two productions, "The Fisherman," a one-act play which gave us a short glimpse of heaven, and "Arsenic and Old Lace," the delightfully funny story of two "sweet" little old ladies who have a habit of serving arsenic in their elderberry wine.

All of these plays were a credit to Orange High School They were remarkably well presented and were lots of fun for the students participating as well as for the viewers. The sets, the costumes, and the make-up were all done by OHS students, proving that responsibility is not just make-believe, but a real step in the Game of Life.

## Bring Pride and

This year, as always, individual effort seemed to characterize Orange's bid for the championship, but individual effort is not everything, it takes 15 individuals and a coach to make a team. It is this combination of talent, called a team, that wins ball games.

Orange possessed such talent: she had a team, she won games; but she had much more than that-she had spirit! The Panther spirit was evident in the boys on the court, in the crowds hovering in the stands, and in the students' eyes. Without this spirit a team is nothing, with it, a team can conquer anything.

Wrestling is a sport which receives little recognition, but deserves more attention. It is the one sport at Orange High in which both large and small boys can participate in an individual contest against boys their own size.

Individual effort was the feature which made wrestling stand out this season. Hosting the Freeway League Tournament, four Orangemen finished second to gain berths in the C.I.F. tourney. Having had an outstanding season last year, Orange's future prospects appear good.

High jumper Dennis Blake springs over the bar.

Belving on the traditional Orange track and field tactic of a strong finish, Coach Lanny Carter's Panthers have climbed in Freeway League competition. In the past Orange has relied heavily on this tactic with commendable results, During the past seven years of Freeway League competition, Orange has had three second place finishes and one championship

Due to the variety of track and field events, a major segment of Orangemen are able to display their individual skills. Veteran track star Bob Slover set a new Orange High record in the polevault this year, clearing 13 feet 9 inches. Another veteran, Greg Fike, has attempted to break the present Orange High shotput record of 54 feet 4½ inches. All of these efforts have brought pride and spirit to Orange.

# How do you "MEASURE" achievement?

Remember the marks on the back of a door to record your physical growth? The roller skates or bicycle which signified achievement of further maturity?

And A, B, C's or percentages as grades to show achievement academically? Now what?

Some of you will continue to work for scholastic grades, some for dollars as a measure of financial success, some for social status. And we would hope many may find a measure of achievement in service to community or their fellow man in addition to other accomplishments.

# 

Your printing, too, is a means of achievement, and we constantly strive to reflect this by production of the finest in printing through use of skilled craftsmen and modern equipment. Your satisfaction and continued patronage is our measure of achievement.

## Still GROWING with ORANGE County and SOUTHERN CALIFORNIA

The BIG reasons...

- Professional Customer Service
- Top Quality Products
- Fast Pick up and Delivery

Way back in 1925, Milt Johnson installed a few odds and ends upstairs in an old building and started making a few plates for Orange County printers. Forty years later we have added nearly \$100,000 in equipment and hired a few more people (14 right now) and serve a four county area with customers ranging from the smallest one man plant to folks like Kaiser Steel and the largest advertising agencies. Milt has long since gone fishing, but present management is still carrying on with the finest craftsmanship and service. If we weren't local folks we just might be called experts. Call us for any of your needs in printing plate manufacturing. Letterpress or Offset. Skilled representatives are at your service!

Copper, zinc and magnesium engravings — Offset negatives and plates. Newspaper mats, cold or baked. Art services. Color services.

The most particular . . .
